Serving the Children of California's Great Valley

## Lead Kindergarten Teacher for 12/13 School Year

Our Kindergarten program of 20 children in a mixed-age program (4 – 6 year olds) with a teacher and assistant is seeking a qualified lead teacher beginning with the 12/13 school year. In this ideal Waldorf school environment, we offer two preschools, two kindergartens, and first through eighth grade with 218 children as we enter our 26th year.

We recently completed building two new custom designed kindergarten classrooms. The kindergarten teachers were instrumental in their design and the new kindergarten classrooms are beautiful! We are still smiling from luxuries like on-site washer and dryer, adult restroom, 6' skylights, lots of storage, custom kitchen and pantry, hardwood floors, hand built tables and chairs, great cubby area, etc...

The Davis Waldorf School is ideally located in northern California near to skiing in Tahoe, the San Francisco Bay Area, and California's famed wine region. Davis is a university town with a progressive community, tree-lined streets, red double-decker buses, miles of level bike paths and greenbelts, and the quality of its community life. Davis is considered to be one of the best places in the area to live and raise your family within a safe and friendly community. Waldorf education is well-received in the greater Sacramento area with 5 independent schools feeding into nearby Sacramento Waldorf High School. Rudolf Steiner College is close with access to excellent continuing teacher training opportunities.

Competitive salary with consideration for years of experience offered. Benefits include medical, dental, and vision insurance, tuition and child care remission for up to 2 children ages 2 ½ - 8th grade, 50% tuition remission for nearby Sacramento Waldorf High School, retirement plan, and ongoing teacher development opportunities.

Qualifications for the lead Kindergarten position include Associates, Bachelors or Masters Degree, Waldorf School Teaching Certification, and prior teaching experience.
