

DWS Community Meeting

Re-Aligning for Our Future 2021-2022

9 August 202 I

The Healthy Social Life Verse

A healthy social life is found only when, in the mirror of each soul, the whole community finds its reflection, and when, in the whole community, the virtue of each one is living.

-Rudolf Steiner

Agenda

- Agenda
- Introduction
- Looking Back/Looking Forward
- COVID safety measures for the 2021-2022 school year
- Symptoms and exclusions
- Smoke Policy

Year In Review

2020-2021 School year

- Several Community Meetings
- Community and Employee Surveys
- Changing guidelines
- Uncertainty with waiver process
- Focus on redevelopment of site

This year

2021-2022 School year

- Feedback over the year from community
- Concrete guidelines from CDPH
- More understanding of COVID
- Use of newly developed infrastructure and supplies
- Focus on flexibility and sustainability

Our Approach

Time spent Indoors and Outdoors

- Face coverings will be worn indoors
 at all times
- 3-4 HEPA UVC air purifiers per room

- 25-50% of day outdoors
- Opportunity for unmasked learning
- Eating outdoors unless poor AQI or inclement weather

Flexibility to modify as needed

Face Coverings

- We will require all students and staff members to wear masks indoors.
- Masks are optional for students when outdoors.
- Outside staff members will wear masks when working closely (3 feet or less) with an individual student for a sustained period (longer than 5 minutes).

Eating and Meals

HOT LUNCH

- Eating will occur outdoors as much as feasible.
- In inclement weather or when the AQI is high, eating indoors physically distanced
- Masks and gloves are required while serving or preparing hot lunch.

CLASS ACTIVITIES INVOLVING FOOD

- Students may participate in cooking activities with their class.
- Masks will be worn when preparing food whether inside or outdoors.
- Students will be guided to wash their hands prior to food preparation or eating.
- Adults will be required to wear gloves while preparing food.

Aftercare

EARLY CHILDHOOD JUNE BUG

- We will have separate preschool and kindergarten napping rooms.
- when laying down in their nap areas the children will not wear face coverings.
- Face coverings will be used indoors at all other times.
- In the late afternoon the preschool and kindergarten program will combine.
- Will spend most of their time outdoors, but may go inside when the weather is cold, very rainy, dark, or when the AQI is poor.

SUNFLOWER

- Our 1st 4th grades aftercare program will also spend most of their time outdoors.
- They may go inside when the weather is cold, very rainy, dark, or when the AQI is poor.
- They will utilize the same indoor space, the aftercare room, as needed.
- Face coverings will be worn at all times when indoors.

Vaccination and Testing

In line with CDC guidance, we support and encourage our employees to vaccinate to prevent the spread of COVID-19.

While testing is encouraged for all employees, we are requiring all unvaccinated employees to undergo testing weekly.

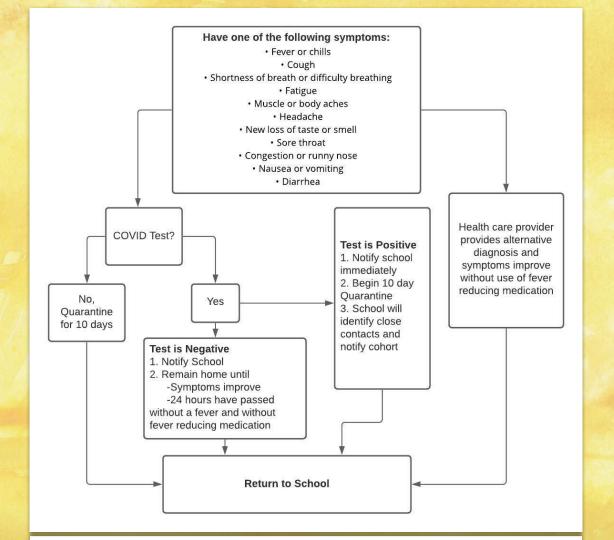

Screening at home

Stay home if they have any of the following symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

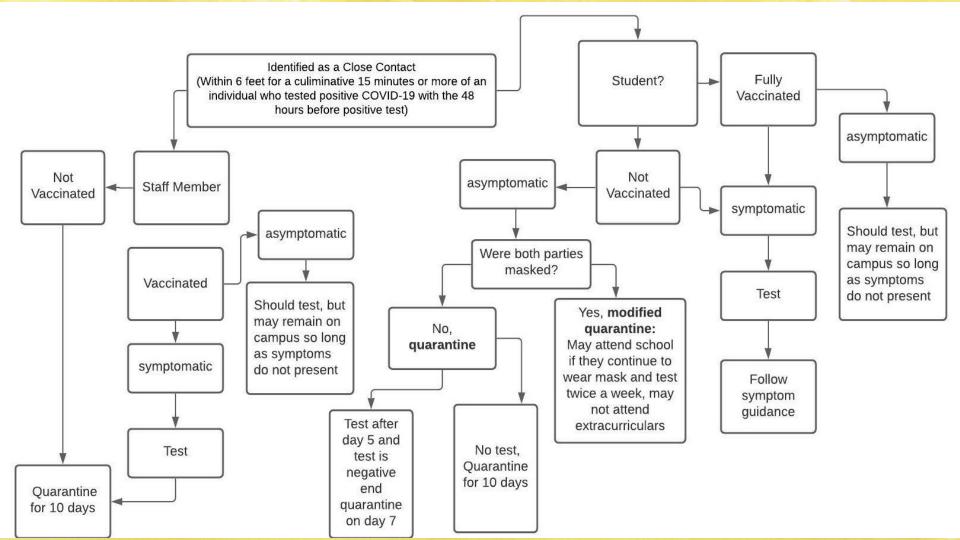

Close Contact Guidance

- The California Department of Public Health no longer considers all students in a class to be a close contact.
- The DWS will continue to notify the entire class community in the event of a close contact or a
 positive case in the class cohort.
- Unvaccinated siblings will be considered a close contact when their sibling has symptoms until school receives a negative test for the student with symptoms
- A close contact is defined as someone who was within 6 feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period.

Travel

We highly encourage testing after all travel, including domestic travel.

AFTER INTERNATIONAL TRAVEL

- Quarantine at home for 7 days after return
- Students may return to school after day 7
 along with a negative test that was
 performed on or after the 5th day following
 their date of return.

Festivals, Guests, Volunteering and Drop off

Festivals	Guests	Volunteering	Drop off & Pick up	Parent meetings
Guidance will be determined depending on the festival	Face coverings required	Face coverings required inside & outside, exception on walk away from class.	Face coverings required	Face coverings not required for outdoor parent meetings

Smoke Policy
